SUBJECT: Reclamation Surety Amount for Vent Hole Closure, Denison Mines, Pandora Mine, S0370012, Task 1821, San Juan County, Utah

Denison Mines has proposed opening two new vent holes associated with the Pandora Mine. The surety amount is \$10, 210.00. The Division and the Forest Service have reviewed this amount, and I have a voice message from Joel Nowak with the Manti La Sal National Forest giving approval.
